

July 23/15

Dear Brothers and Sisters,

The Company announced today the permanent closure of the Paper/TMP effective immediately, the Company stated everyone is to report to work on their normal shifts until otherwise notified; everyone will be working for the next 12 weeks.

We have struck a labour adjustment committee to work with the Company to discuss ways of mitigating the effect of this announcement. We expect our initial meeting will be early next week.

Throughout this difficult process we will be calling special membership meetings to report to the membership on the progress of the Labour Adjustment Committee.

The following Executive Members are on the Union's Labour Adjustment Committee:

Don Rheume, President Local 1119.

Noel Collins, Vice President Local 1119

Dave Strom, 2<sup>nd</sup> Vice President Local 1119.

Rob Giroux, Chief Shop Steward Local 1119.

Bruce Mc Nevin, Recording Secretary Local 1119.

Throughout the next 12 weeks your Union Labour Adjustment Committee will be available by phone or and at the Union Hall to assist and answer questions.

In solidarity,

Don Rheume  
President Unifor Local 1119
